## PRINCIPAL MESSAGE

*Dr. Monoj Gogoi, M. Sc, Ph.D.  
Principal Bikali College*

*Greetings from Bikali College,*

*I have the privilege to welcome you all to this great premier institution of higher education. Bikali college is trying its best to provide unique and excellent opportunities to the student for the development of their young minds in a secular and conducive atmosphere. The institution sincerely believes that student should not only excel in academics but should also develop courtesy, discipline, smart personality, social sensitivity and be imbued with the traditional values and cultures of our society. It is my duty and responsibility to assure you all that the the central focus of the institution will always be student-centric as our founders have envisioned it to be. Dear students, education drives away ignorance and through illumination it emboldens a man to a righteous path. It empowers everyone and enlarges the horizon of the mind. I am greatly rejoiced and proudly placed on records that Bikali College has all our facilities required for continual growth in the quality of all academic activities with a sense of commitment to fully meet the expectations of the students, parents and the society at large. The College is known for discipline, punctuality and regularity of classes. We emphasize on the individual care of each and every student through mentoring system along with regular parents-guardian interaction. In last two years owing to the Covid-19 pandemic, we all had a tough time, but we have accepted it as an opportunity to move ahead. Now we are striving for a vibrant and dynamic environment and is preparing itself to welcome new batches of students for the academic situation 2022-2023. I welcome you all to this new academic year and are looking forward for a brighter, empowered tomorrow.*

*Long live Bikali College.*

*With best wishes,  
Dr. Monoj Gogoi  
Principal, Bikali College*

## OUR MOTTO

Aim for Excellence

## OUR VISION

To be a Centre of Excellence in the field of education so as to generate knowledge and wisdom in the society with high moral values.

## OUR MISSION

To provide affordable quality based higher education with knowledge and skills in the chosen field of study and at the sometime to inculcate high moral values to the students to shape them into responsible citizens and above all a good human being.

## OUR OBJECTIVES

- To bring about educational progress in a rural, tribal and backward area with a holistic approach.
- To become one of the excellent educational institutions in the country where dissemination of knowledge is made through the process of teaching –learning, research and extension for the welfare of the state and the country.
- To conduct research work on socio-cultural, economic, environmental and developmental aspects at local and regional levels.
- To imbibe and strengthen community extension services for the welfare of society.
- To sustain and achieve progression in academic and research works through collaboration with academic and research institutions.
- To spread scientific awareness among the student community as well as in the society to exterminate all superstitious beliefs.
- To impart value education and ensure skill development, both for moral improvement and self-empowerment

## A BRIEF HISTORY OF BIKALI COLLEGE

Bikali College is one of the premier institutions of higher education in the state of Assam. It is located at Dhupdhara, a small town on the National Highway 37 in the easternmost part of Goalpara District of Assam. Bikali college has a chequered history of establishment and existence. It is the result of the culmination of the long-drawn dream and the wish and aspiration of the 52 villages of the "Bikali Mouza". Their relentless efforts and the missionary zeal to enlighten their children with higher education led to the establishment of this institution on 14th April in the year 1982. From a makeshift wooden and bamboo structure with only few students in Pre-University classes in Arts stream, the college has come a long way telling the stories of struggle, achievements, growth and consolidation. In the course of its growth and development, the commerce stream and science stream were introduced in the college as self-financing course in the year 2005 and 2015, respectively. The college is currently affiliated to Gauhati University and is presently offering bachelor degree courses in Arts, Science and Commerce along with post graduate Master degree courses in Assamese and Geography. In addition to these courses, the college also offered certificate courses in Higher Secondary in all the three streams under AHSEC. The Arts stream of the college was brought under Deficit Grants-in-Aid schemes of government of Assam in 1992 and subsequently it was provincialized in the year 2005. The college has also been able to receive UGC recognition of 2(f) 12(B) with effect from the 10th Plan.

*Many are the sacrifices made by various organizations, institutions, establishments and individuals since inception of the institution to the present times. The name of Bikali Mouza Unnayan Samittee, a philanthropic socio-economic organization of Bikali Mouza will always be inscripted in the history of this institution in golden letters for their pivotal role in nurturing and shaping the institution. Thus., Bikali college is a testimony to the farsighted vision of its founder and their indefatigable enthusiasm to actualize their dream.*

*The college has a sprawling campus spreading over an area of more than 50 acres with modern infrastructure facilities for teaching and learning. The college has, over the years build up an impressive infrastructure and is trying hard to create a the college has, over the years build up an impressive infrastructure and is trying hard to create a student-friendly environment in the campus. ICT enabled classrooms, well-equipped computer laboratory, science laboratories, central library with internet facility, digital library, state of the art seminar and conference halls, language lab, etc. are some of the teaching- earning facilities in the college through which students are exposed to have a better learning experience in the campus. To nurture the hidden talents of students in co-curricular and extracurricular activities, the college has indoor and outdoor stadium, gymnasium halls, various literary and academic societies, NCC, NSS, Scouts & Guides., etc. Presently, the NCC unit of college has 35 cadets and another 35 cadets will be enrolled in this academic session (2021-2022). The pristine, calm and serene environment of the college is self-explanatory about its environmental consciousness. Based on our past experiences and achievements, we firmly belief that we will definitely able to march ahead on our journey to achieve the academic excellence that the founders of the college have once dreamt.*
